

Bourton & District Garden Club

Bourton & District Garden Club was established in 2003 for like minded local people to share their interest in gardening and the surrounding countryside.

We meet on the **last Thursday of each month** at Bourton Village Hall at 7.30pm except for August & December.

Our calendar includes garden visits, film shows, talks and demonstrations together with a social get together and light refreshments.

All new members are welcome to join us or you can join our group as a guest for a particular evening.

Program of Meetings for 2012

- January 26** AGM, talk and light buffet.
Refreshments shared by the members with a talk by **George Browning**
- February 23** Wildlife Friendly Gardens and allotments.
